

## Peoria Audubon Society Book Sale - Full List

September 2, 2008

### Background

The family of the late Louise Augustine, an avid local birder with a life list of over 5000 species, has generously donated 7 large boxes of her bird books to the Peoria Audubon Society. The family specified that proceeds from the sale will go to the Peoria Audubon Bird Sanctuary Fund. All books are in excellent conditions, and prices have been established to be competitive with those given at Amazon.com for used books.
